Title: VEHICLE DOOR AND ASSEMBLING METHOD AS WELL
AS DISASSEMBLING METHOD FOR THE SAME

PETITION UNDER RULE 37 CFR 1.47(a)

Assistant Commissioner of Patents
Washington, D.C. 20231

Dear Sir:

One of the inventors of the above-referenced application, Gregory Keyes, has effectively refused to execute this application. The owner of this application is Meritor Automotive GmbH ("Meritor"). The other inventors are acting on behalf of themselves and on behalf of Mr. Keyes.

The reasons for this action are set forth below:

Gregory Keyes was employed by Meritor, and under an obligation to assign inventions to Meritor. Mr. Keyes has left Meritor and has not been located. Dr. Horst Schumacher of Konig Palgen Schumacher Kluin (Konig) in Germany, who is responsible for the original German filing

of this application, has been searching for Mr. Keyes. However, no forwarding information regarding Mr. Keyes has been obtained. Konig sent correspondence to Mr. Keyes at Meritor Automotive GmbH on December 22, 2001 regarding a previously filed patent application in which Mr. Keyes was an inventor. Mrs. Post of Meritor Frankfurt informed Konig on March 2, 2001 by telephone that Mr. Keyes had moved without leaving a new address or telephone number. Konig attempted to call Mr. Keyes at his last known phone number, but the line was no longer in service.

Konig also contacted the British law firm of Marks & Clerk (**Exhibit A**) on March 21, 2002 inquiring how to find a new address of a British citizen. Marks & Clark responded by letter (**Exhibit B**) on March 23, 2001 stating that there is no easy way of searching for a British citizen as there is no requirement in Great Britain for address registration. Additionally, Konig contacted Mrs. Anna Riley of the Personal Department of Meritor Great Britain on April 9, 2001 by facsimile (**Exhibit C**) for information relating to Mr. Keyes' address. Mrs. Riley responded by email (**Exhibit D**) on April 9, 2001 with an address and phone number for Mr. Keyes. However, this address and phone number were old ones.

Konig also send a copy of the application to Mr. Keyes at his last known address [28 Inverclyde Road, Handsworth Wood, Birmingham, West Midlands, B20 2LJ, United Kingdom] on August 16, 2002 via registered letter (**Exhibit E**). To date, Mr. Keyes has not responded, and Konig has not been able to locate Mr. Keyes.

A check in the amount of \$300.00 (Surcharge Fee \$130.00, Assignment Recordation Fee \$40.00 and Petition for Missing Inventor Fee \$130.00) is enclosed. The Commissioner is authorized to charge Deposit Account No. 50-1482, in the name of Carlson, Gaskey & Olds, P.C.,

for any additional fees or credit the account for any overpayment. Therefore, applicant asks that processing of this application now proceed.

Respectfully submitted,

CARLSON, GASKEY & OLDS, P.C.

Dear Dr Schumacher

Thank you for your fax dated 21 March 2001.

In response to your query, there is no requirement for address registration as there is in Germany. Therefore, we do not know an easy way of obtaining the new address of a British citizen. It may be possible to check the electoral register, but information on the geographical region of the address is likely to be required to narrow the search. It may also be possible to go to a search agency, or investigation agency, who have more expertise in this field of searching.

I am sorry that we have not been able to help you more in your enquiry, and wish you luck in finding this information.

Yours sincerely
